

### Input Speed Sensors TF80SC

**Part number**  
**60 27 DZ087 TF80SC1**  
**new: ISS-TF80SC-1**

**Part number**  
**60 27 DZ087 TF80SC2**  
**new: ISS-TF80SC-2**

**Both sensors have a white 2-pole/prong-connector with a red and a white cable.  
 Length of cable and type of connector are the same**

**The Differences are:**  
**different design**  
**different length/height of the sensor**  
**round or partially flat design of the sensor (A)**  
**round or partially flat design of the sensor base (B)**

**We do not know if both speed sensors are interchangeable.**

All information in this document is given based on our knowledge of today - it might have changed or may change at any time. All data has been investigated with care, but it might have happened, that by error we received wrong details. We apologize for such cases but have to reject any responsibility if an item does not fit for the required purpose. Illustrations can deviate in exceptional cases from the actual product.

**If you have more or other Information – please let us know, so that we can update this document.**
